**EDUCORP TRAINING & CONSULTING, INC. ANNOUNCES ACQUISITION OF  
MDR CONSULTING & EDUCATION**

EduCorp Training & Consulting, Inc. expands services to provide clients with IBM software in Texas, Oklahoma, and Louisiana.

GRAPEVINE, TEXAS (April 5, 2006) - EduCorp Training & Consulting CEO, Sue Murray, today announced the acquisition of MDR Consulting and Education of Austin, Texas, on April 1, 2006. The acquisition of MDR provides the additional component of IBM software sales to EduCorp's portfolio of IT and professional development training and consulting.

EduCorp Training & Consulting, a leading provider of IT workforce training and consulting to Fortune 500 companies, provides value-driven solutions for business training and consulting. Services include IT workforce training, professional development training, and IT and business development consulting. Training is offered on-site or through EduCorp training center locations in Plano and San Antonio, Texas.
